About Us :

"Welcome to Analitico Instruments, your premier supplier for a wide range of superior analytical products and services. Our area of expertise is offering a wide selection of analytical instruments and lab equipment, pharmaceutical equipment, CRM standards, lab chemicals, and precision glassware. You can rely on Analitico Instruments for unmatched quality and dependability in all facets of your business."

.....

Thermo Fisher Scientific

For complete range of Chromatography and Spectroscopy Products.

GC, GCMS, GCMSMS

HPLC, LCMS, LCMSMS

AAS, ICPOES, ICPMS, FTIR & UVNIS Spectrometers, Nano Drop Spectrophotometers .

Peak Scientific

High-performance Nitrogen gas generator and Hydrogen gas generator, Zero Air, TOC. Industrial Nitrogen Plant ,Air Dryers etc.

Bruker

Compact FT-IR spectrometer ALPHA II

NMR Spectrometer

Biostep

DESAGA HPTLC System with Sample Applicator, Model AS 30 and Densitometer-Scatter Model CD 60 with HPTLC Chromatography Software.

Spectrolab - UK

XRF For all applications.

TraceTech is like no other XRF and is the perfect analyser for minerals cement and petrochem. The instrument employs a unique optical system based on diffracted focussed wavelength dispersive X-rays that allow the widest possible range of applications including general lab use, minerals and ores, metals and liquids, petrochem products, refineries, marine, aerospace and the environment.

TraceTech 4000 MWDXRF Analyzer for all Elements F, Na, Mg, Al, Si, P, S, Cl, K, Ca, Ti, and Fe Other elements can also be added

Agrosta - France

Belle 2 texture analyzer

Food, pharmacy, meat, fruits and vegetables, resins, glue, semi-solids, gels and gellatin, bread and bakery, dough, packages, foams - According to Bloom, Warner Bratzler shear force, AOCS and many more.

| • Tablet Disintegration Apparatus | • Weighing Balances |
| • Tablet Friability Test Apparatus | • SEM/TEM Microscope |
| • XRF Spectrometer / X-ray Diffraction | • Particle Size Analyzer |

Pharmacy Equipments

- Tablet punching machine
- Capsule filling machine
- Tablet filling machine
- Tablet Coating Pan
- Centrifuge
- Homogenizer
- Flame Photometer
- Melting Point Apparatus
- Colorimeter
- DSC/TGA

Accessories

- Gas Purification Control Panel for GC/GCMS/AAS/ICP
- Capillary Columns
- HPLC Columns
- Vial, Cap, Septa
- Hollow Cathode Lamps
- Deuterium Lamp
- CRM /Analytical Standards
- Chemicals / Reagent
- Syringes

WE ALSO DEAL IN REFURBISHED GC & HPLC SYSTEMS

Gas Purification panel
For : GC, GC-MSMS,
LC-MSMS, AAS, ICP,
ICP-MS and
Laboratory tubing.

AUTHORISED DISTRIBUTOR / DEALER

Industries Served:

- Pharmaceuticals and Biotechnology
- Chemicals and Petrochemicals
- Environmental and Water Testing
- Academia and Research Institutions
- Food and Beverage
- Material Science

Our Mission :

Our mission is to empower our clients with innovative analytical tools and comprehensive solutions that enhance their research, development, and production capabilities, ensuring precision, reliability, and efficiency.

Vision :

To be the most trusted and preferred partner in the analytical instrumentation industry, driving scientific and technological advancements globally.

Analitico Intstuments serves customers with timely delivery and best after-sales service, with a strong network of our principals and their channel partners.
